Report to accompany the estimate for constructing a Warden's Post in Munireddipalya.

There is no suitable accommodation in Munireddipalya for locating the Warden's Post. Most of them are mud houses with considerable amount of ~~xxx~~ wood work in the roof and a few of the good buildings that there are, are not available for rent. So, it is proposed to construct an additional room to the existing small Police Station with brick in lime mortar masonry and R.C. roof. Protective walls for the openings are in brick in cement. Later on it may be used as a store for the Police Station.

The total cost of the estimate, at the present rates is Rs.750/- and the estimate may kindly be recommended for sanction. It will be met out of the unforeseen charges in the budget grant.
